Use MTF to capture bigger market moves

Power Your Trades With MTF

Trade with up to 4.5× leverage

Take larger positions with a fraction of the total trade value, subject to applicable stock and regulatory limits.

Activate MTF in just 1 step

Enable the facility directly through the SIHL app—no physical paperwork required.

Access 1,450+ eligible stocks

Get MTF access across a wide selection of stocks available under the facility.

Use securities as collateral

Pledge eligible securities to access funds without having to sell your existing investments.

Make the most of market opportunities

MTF can help you take positions even when you don't have the full purchase amount available upfront.

SIHL MONEYMAKER

Explore MCX

Trade Commodities

Hedge

Diversify

Global Market Exposure

Access MCX across Bullion, Base Metals,
and Energy through futures, options, and index-based products.

Explore Commodity Trading

CAPTURE COMMODITY MARKET MOVEMENTS

Trade standardised futures contracts across key commodities and participate in price movements with applicable margin requirements.

FLEXIBILITY FOR EVERY MARKET VIEW

Use call and put options on eligible commodity futures to structure strategies for hedging and market participation.

DIVERSIFY ACROSS COMMODITIES

Gain broader commodity-market exposure through index-based futures representing a basket of underlying commodities.

TRADE ON THE GO

Access MCX commodity trading through SIHL MoneyMaker and manage your trades conveniently from your mobile device.

DIVERSIFY BEYOND EQUITIES

Explore commodities such as Gold, Silver, Crude Oil, and Natural Gas to diversify your market exposure beyond traditional equities.

STAY CONNECTED TO GLOBAL MARKETS

Commodity prices can be influenced by global demand, supply, currencies, geopolitical developments, and international market movements.

USE CAPITAL EFFICIENTLY

Trade eligible commodity futures using applicable margin requirements rather than paying the full contract value upfront.

TRADE BEYOND EQUITY HOURS

MCX trading sessions can extend beyond regular equity-market hours, helping you respond to developments in global commodity markets.

ONE PLATFORM. MULTIPLE MARKETS.

Access and manage your trading activity across equities, commodities, and other available market segments through the SIHL MoneyMaker ecosystem.
